Bedroom transformations featuring functionality and appearance

Burlington ON – Tips, trends and giveaways will contribute to an all-encompassing event on Saturday, May 24 when nationally recognized design expert Jackie Glass takes over Centre Court at Burlington Mall.

Glass, who appears regularly on Citytv's Cityline, is known for her engaging personality as well as her design expertise. From 1 p.m. to 2 p.m., prior to taking questions from the audience, Glass will share her 'tricks of the trade' for bedroom design as well as offer tips and discuss the latest in trends.

Speaking to functionality and appearance she will provide ideas on enhancing the master bedroom, a child's room and a guest room. There will be door prizes and a small gift for the first 100 audience members attending this free event which will be staged at Centre Court.

Burlington Mall is located at 777 Guelph Line, south of the QEW, Burlington.
